DEAR PARTNERS AND SUPPORTERS,

As we reflect on the month of June, we are filled with gratitude for the work accomplished and the support we continue to receive from our partners and community. Below are highlights of the activities that kept us engaged throughout the month.

TOP HIGHLIGHTS

- Attending the RENCEP General Assembly
- Preparing for the “Kick for Joy” – Christmas Celebration 2025 – Season Two
- Receiving a gift of T-shirts from a partner
- Continuing the Feeding Initiative
- Running weekly Play & Learn sessions

Attending the RENCEP General Assembly

We had the chance to attend the General Assembly of RENCEP, and we explored how to align with national education strategies, discovered a new app created to support children with disabilities, and shared ideas on strengthening ECD, ICT, and vocational training. Welcoming 8 new organizations to join RENCEP network – a growing circle of change makers.

Preparing for the “Kick for Joy” – Christmas Celebration 2025 – Season Two

This June, our team was fully engaged in laying the groundwork for one of our most anticipated events - Kick for Joy: Christmas Celebration 2025 (Season Two). We carefully mapped potential partners, defined target participants, and crafted the concept note, registration forms, budget, and promotional materials. Each planning detail, including the event timeline, is being thoughtfully prepared to make this celebration a joyful and inclusive moment for all.

Receiving a gift of T-shirts from a partner

This month, we were surprised with a gift of T-shirts from one of our amazing partners. It might seem small, but to us, it was a big reminder that we're not alone in this work - and every gesture counts.

Continuing the Feeding Initiative

Our Feeding Initiative continued daily throughout June. Watching our children eat healthy meals with joy reminds us why we do what we do. These meals are more than just food - they're energy, hope, and a foundation for learning.

PLAY & LEARN INITIATIVE

Laughter and learning filled the air during our weekly Play & Learn sessions. Whether it's storytelling, and teamwork games, these playful moments help build creativity, language, and problem-solving skills in ways that are as fun as they are effective.

PRAISE

We are deeply thankful to our partners, community members, and committed staff who continue to make all this possible. Every meal served, every child who learns, every goal scored, and every meeting we attend is a step forward toward a brighter future.

PRAYER REQUEST

We kindly ask you to keep our children, staff, and entire community in your prayers. Please pray for continued wisdom, provision, and protection as we move forward with love and purpose.
