

# Bridge of Hope

*Give Hope to the Hopeless*

Welcome to our Monthly

## NEWS LETTER

APRIL 2025

<https://bridgeofhope.org.rw/about-us/>

## DEAR PARTNERS AND SUPPORTERS,

At Bridge of Hope, April month is filled with meaningful steps toward growth, care, and transformation. We're excited to share some of the key activities and achievements that have taken place across our programs this month. :

### TOP HIGHLIGHTS

- Rewarded children who scored above 70%
- Two staff members attended counseling training
- Empowering Rising Stars through financial Inclusion & active holidays
- Welcomed ECD learners for the third term of the 2025 academic year.

### Academic Excellence with a Special Reward

At Bridge of Hope, we believe in encouraging excellence. This month, we proudly recognized and rewarded 11 children from both the Rising Stars Sports Center and our sponsored primary school students who achieved more than 70% in their term scores.

To celebrate their hard work and commitment, each outstanding student received a live chicken.

## Building Emotional Support Through Counseling Training

In our continuous journey to strengthen the quality of care we offer, two of our team members participated in an intensive three day counseling training.

The training aimed to equip them with the right tools to provide emotional support to children and families, especially those facing trauma, stress, or behavioral challenges. Participants received certificates upon completion. We are confident that the knowledge and skills gained will enable us to support the children and families under our care more effectively.

## Empowering Rising Stars through financial inclusion & active holidays

April was an exciting month for our Rising Stars. In partnership with Rwamagana District, Bank of Kigali, and the former national football team, around 45 children successfully opened free savings accounts an important step toward fostering financial literacy and future responsibility. During the holiday period, the children also engaged in energetic sports practices, demonstrating strong teamwork and determination as they honed their skills in preparation for upcoming events.

## WELCOMING OUR LITTLE LEARNERS BACK TO ECD

Our ECD learners returned with joyful hearts for the third term. We were excited to welcome them back to a safe, playful, and nurturing learning environment. The classrooms were once again filled with laughter, songs, and curiosity. We look forward to a fruitful and fun term ahead with our little ones.

## PRAISE

As we close this month, we are filled with gratitude. Thank you to our dedicated team, our supportive partners, and our generous sponsors whose efforts make all of this possible. Your consistent support allows us to plant seeds of hope, nurture dreams, and shape brighter futures.

## PRAYER REQUEST

We kindly ask you to keep our children, staff, and entire community in your prayers. Please pray for continued wisdom, provision, and protection as we move forward with love and purpose.
