Dear Friends and Supporters

Warm greetings from Bridge of Hope.

We are deeply grateful for your unwavering support, encouragement, and prayers. Each season, we are reminded that the impact we make in the lives of children and families is possible because of people like you who believe in our mission.

Recently, our days have been filled with activities that brought hope, joy, and opportunities to our community. Here is a hint of what we have accomplished together:

Top Highlights

- Graduation Celebration.
- Attending the World Without Orphans Round Table.
- Community Mobilization for ECD Enrollment.
- Help a Child and UNICEF Rwanda Visit to URUHONGORE ECD Center.

Graduation Celebration

We proudly celebrated the graduation of our little angels from Uruhongore ECD Center as they transition to primary school. The event was filled with joy, music, and proud smiles from both parents and teachers. These children are now ready to embark on a new chapter in their education journey, and we are excited to witness their future success.

Graduation Celebration.

Attending the World Without Orphans Round Table
Bridge of Hope actively participated in a round-table discussion organized by World Without Orphans. This session brought together like-minded organizations to discuss strategies for creating safe, loving, and permanent family care for every child. It was a great opportunity to learn, share experiences, and strengthen our network for better child welfare.

Community Mobilization for ECD Enrollment

We reached out to the community to raise awareness about the importance of Early Childhood Development and to inform parents that our URUHONGORE ECD is open for all young children. Parents responded positively, and many have already registered their children. We also began a welcoming program to help the little ones familiarize themselves with the environment before the official academic program begins in September 2025.

Help a Child and UNICEF Rwanda Visit to URUHONGORE ECD Center

We were honored to welcome Help a Child and UNICEF Rwanda representatives to our Uruhongore ECD Center. Their visit inspired our team and reaffirmed the importance of providing children with a strong foundation through early childhood development. It was a valuable moment of learning, sharing, and strengthening our commitment to nurturing young lives. We also look forward to exploring opportunities for future collaboration to expand our impact.

Praise

We thank God for the successful graduation of our little ones, the partnerships that continue to strengthen our work, and the doors that keep opening for us to impact more lives. We also celebrate the growing interest in our programs, especially among young people and community leaders who are eager to join us in transforming lives.

Prayer request

Please keep us in your prayers as we continue to nurture and guide these children into a brighter future. Pray for wisdom and strength for our team, provision for our ongoing programs, and fruitful preparations for the upcoming Kick for Joy Christmas Celebration. Together, with your prayers and support, we can continue to be a light of hope in our community.
